**Productivity , Profitability, Value**

## Who is the IBEW Local 81?

IBEW Local 81 supplies electricians to over 35 signatory contractors in Bradford, Lackawanna, Luzerne, Monroe, Pike, Susquehanna, Wayne, and Wyoming

Counties that comprise the local's jurisdiction. IBEW Local 81 contractors have played a major role in many construction projects throughout Northeastern Pennsylvania.

IBEW Local 81 provides electrical contractors throughout Northeastern, Pennsylvania with highly-trained, construction wireman/construction electricians, commercial, industrial electricians; and state registered apprentices. We also provide continued industry upgrade training for current electricians. With the numerous classifications of electrical workers, Local 81 can help electrical contractors maintain competitive crew costs and increased profitability.

Being an IBEW Local 81 contractor you will receive a commitment to productivity, profit, and value.

## Key Benefits

- Electricians upgrade training - NEC, OSHA 10/30, NFPA-70E, Medium/High Voltage, Grounding, Transformers, Conduit Bending, Fire Alarm, Motor Control, Building Automation, and Green Technologies just to name a few. All classes held at our new State of the Art Training Center.
- Numerous classifications of workers including Construction Wireman, Construction Electricians, Journeyman Wireman, and Apprentices
- Access to unlimited, skilled electricians at competitive rates
- Access to Pennsylvania State certified apprentices
- No cost advertising for electricians

## Cost Savings

- Benefits administration— PATH Administrators will administer all of your electricians benefits at no cost
- Labor savings utilizing Pennsylvania State registered apprentices at lower rates – your company will have a Pennsylvania State certified apprenticeship program - which will allow you to be competitive in bidding PA prevailing wage work
- Free electrical industry training for your existing electricians
- The flexibility to increase / decrease electricians as needed
- Ability to properly staff all of your projects – no more turning work away because you cannot find skilled electricians
- Savings on searching / interviewing for skilled electricians and foreman
- Ability to provide tax deferred benefits, resulting in a lower employment tax load
